

Declaration

D.21/11-2024

AC Mejerimaskiner ApS hereby declares, that the products specifically market for use in the food industry comply with applicable legislation regarding materials and objects intended for contact with food.

The products can be tracked through our invoices.

The legislation includes:

EU regulation (EC) 1935/2004 (material and articles intended for contact with food)

EU Regulation (EC) 2023/2006 (good manufacturing practice for materials and articles intended to come into contact with food)

Regulation no. 681/2020 on Food contact material.

In the case of used sales, the declaration of conformity covers AC Mejerimaskiner's handling and any constructive changes and all stainless steel types that are food contact material will be checked with a test to ensure, that the steel is minimum AISI 304.

If "soft" components have been replaced, this will appear at the invoice, otherwise it is the buyer's own responsibility, that the suitability of "soft" components is in accordance with EU requirements.

All delivered products must always be handled and treated correctly.

In the event of a necessary withdrawal of "FKM", this will take place at any time in accordance with the Danish Food Authority's withdrawal procedure.

A handwritten signature in black ink, appearing to read 'Lars Christensen', is written over a horizontal line.
